Nayiri (Naïri)

Chers amis et partenaires,

Nous avons eu une semaine très excitante dans le district scolaire unifié de Glendale ! Mardi, le Board of Education a organisé notre événement annuel de reconnaissance pour mettre en valeur les étudiants et employés exceptionnels de Glendale Unified et les merveilleux partenaires communautaires qui soutiennent notre travail. Nous avons également célébré la troisième année de notre College Success Fund, qui fournit un compte d'épargne universitaire et le premier dépôt de départ de 100 $ pour chaque élève de première année de notre district. Jeudi, nous avons eu l'honneur d'accueillir la sous-secrétaire américaine à l'Éducation, Cindy Marten, à l'école élémentaire Koppel, à l'école intermédiaire Toll et à l'école secondaire Hoover.

Au cours du mois de juin, Glendale Unified est fier de reconnaître le mois de la fierté LGBTQ+ et de célébrer notre communauté LGBTQ+, de sensibiliser et de favoriser le dialogue pour promouvoir des environnements d'apprentissage et de travail sûrs et sains pour tous .

Veuillez profiter des nouvelles et des événements qui se déroulent dans notre district. Nous attendons avec impatience le jour de la remise des diplômes le 13 juin!

Sincèrement,

Nayiri Nahabedian, MSW
Président, Conseil unifié de l'éducation de Glendale

GUSD Board of Education Proclaims June 3 as National Gun Violence Awareness Day

On Tuesday, the Glendale Unified Board of Education unanimously adopted a resolution proclaiming June 3 to be the date for National Gun Violence Awareness Day in the Glendale Unified School District.

Over the years, our Board of Education has taken proactive measures to protect our entire GUSD community from acts of gun violence. In 2018, the Board unanimously adopted a resolution Protecting Our Children From Preventable Gun Violence. Following this resolution, Glendale Unified Each School Plans and Parent/Student Handbooks were updated to include information and resources about every parent's/guardian's legal duty to safely store their firearms.

We will continue to work tirelessly to ensure our campuses are safe spaces where every child can learn and thrive. Thank you for being a constant partner in protecting the safety of our students, employees, families, and community.
