

Siroun a du style mais le croirez-vous elle démine les mines de la guerre

These Boots Were Made For Demining

We know, Sirun has style. Deminers like her have to be safe and comfortable while they rope down a hill to clear landmines near Artsakh's Kavak Monastery. But this doesn't mean they can't be stylish too! Check out 5 fashion trends inspired by HALO deminers on [The 1A Blog](#). You can dress the part, and support Sirun's efforts to save lives in Artsakh by donating.

Help deminers like Sirun work towards a mine-free Artsakh by joining ONECore, our community of monthly donors. It's easy, it's secure, and it shows long-term support for people like Sirun who do lifesaving work. And it comes with [several perks!](#)

Together we will build ONE, thriving Armenia.
