Gift A Donation

Not sure what to give someone special this holiday season? Have a family member who's not fussy about presents, but still deserves one? Skip the holiday rat race and make a donation in their honor to support Armenia's most vulnerable communities!

You can dedicate a donation to a loved one and support the establishment of **12 small businesses** like Ruslan's briquette production, help clear **a deadly minefield** in Artsakh, or do both 😊.

They'll receive a special holiday e-card with a personal message directly in their inbox, and the warm feeling that comes with supporting a good cause.

Just select "Dedicate my donation in honor or in memory of someone" and select the e-card you want to send them.

There's no better gift than a stronger, more prosperous Armenia.
