FEATURING THE LECTURE  
**MEDIEVAL TRADITIONS OF COMMEMORATION**  
by Dr. Helen C. Evans  
Mary and Michael Jaharis Curator for Byzantine Art, Metropolitan Museum of Art

In the wake of the successful exhibit *Armenia! Dr. Helen C. Evans, Mary and Michael Jaharis Curator for Byzantine Art at The Metropolitan Museum of Art* will speak at Tufts on the Armenian belief in the power of memory using works recently on display in the *Armenia!* exhibition at The Met. Medieval monuments offer conceptual lessons in a long tradition of commemoration through religious art, manuscripts and inscriptions on church facades, religious containers, textiles, and icons. Commemorative art has preserved memory, cultural tradition, and identity for the Armenians through wars, invasions, and displacement.

Dr. Helen C. Evans was the curator of the acclaimed exhibition *Armenia! at the Met*. Previously she co-curated the Morgan Library and Museum's 1994 exhibition, *Treasures in Roman-Armenian Glass and Mosaic*. At the Metropolitan Museum, she curated *The Glory of Byzantium 1025-1254 or 1992, Byzantium: Faith and Power (1261-1527) in 2004, and Byzantium and Islam: Age of Transition 1025-1325 in 2012. Her previous exhibitions include *Armenians: A History of the Armenian People* in 2005, *The History of the Great House of Cilicia* in 2006, *The History of the House of Cilicia* in 2007, *The House of Cilicia* in 2008, *The House of Cilicia* in 2009, *The House of Cilicia* in 2010, *The House of Cilicia* in 2011, *The House of Cilicia* in 2012, *The House of Cilicia* in 2013, *The House of Cilicia* in 2014, *The House of Cilicia* in 2015, *The House of Cilicia* in 2016, *The House of Cilicia* in 2017, *The House of Cilicia* in 2018, *The House of Cilicia* in 2019, *The House of Cilicia* in 2020, *The House of Cilicia* in 2021, *The House of Cilicia* in 2022, *The House of Cilicia* in 2023, *The House of Cilicia* in 2024, *The House of Cilicia* in 2025, *The House of Cilicia* in 2026, *The House of Cilicia* in 2027, *The House of Cilicia* in 2028, *The House of Cilicia* in 2029, *The House of Cilicia* in 2030, *The House of Cilicia* in 2031, *The House of Cilicia* in 2032, *The House of Cilicia* in 2033, *The House of Cilicia* in 2034, *The House of Cilicia* in 2035, *The House of Cilicia* in 2036, *The House of Cilicia* in 2037, *The House of Cilicia* in 2038, *The House of Cilicia* in 2039, *The House of Cilicia* in 2040, *The House of Cilicia* in 2041, *The House of Cilicia* in 2042, *The House of Cilicia* in 2043, *The House of Cilicia* in 2044, *The House of Cilicia* in 2045, *The House of Cilicia* in 2046, *The House of Cilicia* in 2047, *The House of Cilicia* in 2048, *The House of Cilicia* in 2049, *The House of Cilicia* in 2050, *The House of Cilicia* in 2051, *The House of Cilicia* in 2052, *The House of Cilicia* in 2053, *The House of Cilicia* in 2054, *The House of Cilicia* in 2055, *The House of Cilicia* in 2056, *The House of Cilicia* in 2057, *The House of Cilicia* in 2058, *The House of Cilicia* in 2059, *The House of Cilicia* in 2060, *The House of Cilicia* in 2061, *The House of Cilicia* in 2062, *The House of Cilicia* in 2063, *The House of Cilicia* in 2064, *The House of Cilicia* in 2065, *The House of Cilicia* in 2066, *The House of Cilicia* in 2067, *The House of Cilicia* in 2068, *The House of Cilicia* in 2069, *The House of Cilicia* in 2070, *The House of Cilicia* in 2071, *The House of Cilicia* in 2072, *The House of Cilicia* in 2073, *The House of Cilicia* in 2074, *The House of Cilicia* in 2075, *The House of Cilicia* in 2076, *The House of Cilicia* in 2077, *The House of Cilicia* in 2078, *The House of Cilicia* in 2079, *The House of Cilicia* in 2080, *The House of Cilicia* in 2081, *The House of Cilicia* in 2082, *The House of Cilicia* in 2083, *The House of Cilicia* in 2084, *The House of Cilicia* in 2085, *The House of Cilicia* in 2086, *The House of Cilicia* in 2087, *The House of Cilicia* in 2088, *The House of Cilicia* in 2089, *The House of Cilicia* in 2090, *The House of Cilicia* in 2091, *The House of Cilicia* in 2092, *The House of Cilicia* in 2093, *The House of Cilicia* in 2094, *The House of Cilicia* in 2095, *The House of Cilicia* in 2096, *The House of Cilicia* in 2097, *The House of Cilicia* in 2098, *The House of Cilicia* in 2099, *The House of Cilicia* in 2100.*

## Commémoration du Génocide des Arméniens perpétré par le gouvernement "Jeune Turc" avec l'aide de l'"Organisation Spéciale" (Teşkilât-ı Mahsusa en turc)

"The "special organization" might have been established by [Enver](#) , who placed [Süleyman Askeri](#) in charge of the organization on 17 November 1913.<sup>[3][4]</sup> Its establishment date is rather vague since it was really a continuation of various smaller groups established by Enver and friends in the aftermath of 1908 [Young Turk Revolution](#)<sup>[5]</sup>.

[Enver](#) assumed the primary role in the direction of the Special Organization and its center of administration moved to [Erzurum](#).<sup>[6]</sup> Many members of this organization who had played particular roles in the first world war also participated in the [Turkish national movement](#).<sup>[7]</sup> The Special Organization assisted by government and army officials, deported all Greek men of military age to labor brigades beginning in summer 1914 and lasting through 1916.<sup>[†]</sup>

The first leader was [Süleyman Askeri Bey](#). After his death, he was replaced by [Ali Bach Hamba](#) on 14 April 1915. The "Special Organization" was used by Talaat, Enver and Jemal to complete the Armenian Genocide , beginning 24 April 1915 .Ali Bach Maba held the post until the [Armistice of Mudros](#).<sup>[4]</sup> During [World War I](#) Eşref Sencer Kuşçubası was allegedly the director of operations in Arabia, the Sinai, and North Africa<sup>[9]</sup>. He was captured at Yemen in early 1917 by the British military and was a [POW](#) in Malta until 1920 and subsequently released in exchange for British POW.<sup>[4]</sup> Ahmet Efe says military archives have detailed information about the organization's personnel. He says Kuşçubası is not mentioned . source wikipedia.<sup>[4] sou</sup>
