“ I had the pleasure of being one of the first visitors to the Momik WineCube, and it was one of the highlights of my trip! ”

People everywhere agree: the **Momik WineCube**, an elegant tasting room which we built last year through our **Farm-To-Bottle** project, is the best new place to experience Armenian wine!

Right now, our team is working hard to take the WineCube experience to the next level, and you're invited to experience it first!

Join us on Saturday, June 29 to taste the new Armenian wine brand everyone's raving about, tour the vineyard where the grapes are grown, have a delicious, locally-sourced meal, and learn the ancient craft of khachkar (cross-stone) making! We've added 5 more spots to our Drink In The Sun tour. Get your ticket if you haven't already before it's too late!
