SERVICE
ARMENIA
2020

Do you want to
serve the
Homeland this
Summer?

Since 2013, The Paros Foundation's SERVICE Armenia program has taken young people ages 17 to 22 to Armenia for a month-long service and tour program. This year's program will run from **June 23-July 24, 2020.**

In 2019, the SERVICE Armenia group worked on renovation projects at the Talin Music School in the town of Talin, the school in the village of Zorakan, the Debi Arach Children's Center in Gyumri and at the Nor Hachn Museum in the village of Nor Hachn. In addition to these projects, the group implemented orphan excursions for children from the Yerevan Children's Home and the Kharpert Home for Special Children. Dustin Hochmuth, a two-time past participant who launched "Groceries for Gyumri," led it again for the second summer. SERVICE Armenia participants assembled food packets and distributed them to 50 impoverished families.
