Շնորհակալոր Նոր Տարի եւ Սուրբ ծնունդ

What a spectacular year we've had — opening our magnificent new Vartan Gregorian

Building with elements of Armenian culture and history incorporated into every aspect, and hosting a sold-out crowd of nearly 500 at our inspiring 65th Anniversary Gala!

We thank the entire worldwide community for making this dream a reality in 2019 and look forward to an even more active 2020!

We count on you to keep the momentum going in NAASR's exciting new era. [Please donate today to advance Armenian Studies and build a global community for the next generation.](#)
