

In light of the urgency of the heightened military crisis in defense of Artsakh and Armenia as well as the need for efficient delivery of support and assistance for all those in harm's way, AGBU joins the Hayastan All Armenia Fund's global emergency fundraising campaign. All contributions will be made directly to the Fund, a non-profit organization founded by the government of Armenia in the early 1990s with branches around the world.

AGBU appeals to its global network of members, donors, supporters, and friends to rush their generous donations directly to the All Armenia Fund by donating online at [www.himnadram.org](http://www.himnadram.org). In the US for tax deductible donations please visit [www.armeniasfund.org](http://www.armeniasfund.org).

At the same time, AGBU will continue to provide humanitarian and medical support in coordination with the ROA Ministry of Defense through its longstanding AGBU Fund for Artsakh.

For any questions, please contact your local AGBU district or chapter, AGBU Armenia or AGBU Central Office (New York).
