Making An Impact

The Paros Foundation was launched in 2006 and has implemented more than \$8.2 million worth of projects in Armenia through its unique model of philanthropy and community partnership. These projects are located throughout the country with the majority of work focused in Gyumri and in the Tavush Region, along the border with Azerbaijan. Thanks to the generous support of the Strauch Kulhanjian Family, all administrative expenses are underwritten, allowing 100% of donor contributions to be allocated in their entirety to the projects.

We strive to bring Armenia and the Armenian community worldwide closer through our unique model of philanthropy, volunteerism, and service.
