NAASR appelle aux dons

Dear NAASR Members and Friends,

The Board of Directors of the National Association for Armenian Studies and Research has responded to the overwhelming need for humanitarian relief in Artsakh and Armenia by pledging \$121,100 as a matching contribution for gifts to the Armenia Fund. We urge you to give whatever you can and double the impact with this match. The campaign will run through November 20, 2020.

To count toward the match, please make your check payable to "Armenia Fund, Inc." and write "NAASR Friend" in the memo line. Then mail your check to NAASR, 395 Concord Avenue, Belmont, MA 02478. We will forward the checks to the Armenia Fund in Glendale.

If you donate online to the Armenia Fund directly, through www.ArmeniaFund.org, please let us know so it will count for the match. Matched funds will be used for humanitarian educational purposes in Artsakh and Armenia arising from the all-out war launched against Artsakh on September 27, 2020.

Even if you have already given, we hope you will join this effort.
The need is urgent and you will double your impact.

The NAASR Board of Directors and Staff
