**Subject: THE CAN COLLECTOR**

*This man used to go to all the public functions, especially the picture theaters...and he always carried a sugar bag to collect empty bottles and cans.*

*His name was Albert (Tapper) Torney. Everyone thought he was a bit eccentric and kids would tease and hassle him. Then it was discovered that he sold the empty bottles, but only some of the cans.*

*After he died, in 1998 (aged 86), his large collection of model cars made from aluminum cans was discovered.*

*This goes to prove..."you shouldn't judge a book by its cover" - or a sculptor by his sugar bag.*

*Some of his AMAZING collection!*

*And to think, many of us just played **Kick The Can** with them.*
