**Abstract:** When a soldier makes the ultimate sacrifice on the battlefield, he leaves behind parents, siblings, and often a wife and children. In addition to grieving and coping with the loss of a loved one, these families need to adapt to degraded living conditions. In addition to employment and new ways to support their children, adjust to mental health challenges. It is mandatory for every employed person in Armenia to contribute monthly to IFS. Additional funds are raised through donations from Caucasus and Armenia. IFS provides families of deceased and disabled soldiers in Armenia with payments based on lost categories. Lifetime entitlement of first-degree disability (complete loss of work capacity) - \$20,000 lump-sum, \$400-\$900 monthly for 20 years. Second-degree disability (considerable loss of Capacity) - \$10,000 lump-sum, \$200-\$400 monthly for 20 years.
