Sireli Ungerner,

We are extremely excited to announce that the 88th Annual AYF Olympic Games will be hosted by the Worcester 'Aram' Chapter for the first time in decades! Introducing our 2022 theme:

- Veratantz - Հերապին - Home Again -

Explore Worcester, Massachusetts during Labor Day Weekend (September 1-5) for a slate full of games, reunions, and lots of dancing! After years of planning and postponement, we are very grateful for the opportunity to welcome you all back home to the city where it all began. Please follow us on social media @ayfolympics (Instagram, TikTok, Facebook & Twitter), and be on the lookout for our monthly email newsletters for updated hotel, entertainment, Ad Book, athletic info, and any COVID guidelines as they become available.

We look forward to seeing you in our city soon!
