A **PROVEN & DEDICATED LEADER FOR GLENDALE**

PROUDLY ENDORSED BY OUR POLICE AND FIRE!

FINAL STRETCH - POLLS ARE OPEN!

Dear friends and neighbors,

Christine and I truly appreciate the heartfelt support we have received during this election. It has been with great pleasure that we have been a part of the Glendale community for over 32 years. I have represented our schools with great honor during my 21 years of service on the GUSD Board of Education. Alongside this I have served numerous local organizations, including the PTA, Jewel City-JVV Little League, AYSO 88, Kiwanis Club, and Salvation Army, to name a few.

My experience managing a staff as President of the Valley Economic Alliance as well as being the current clerk of the Board of Education have equipped me with the know-how to effectively run the office of Glendale City Clerk. Our family is proud to be a part of the Glendale community and are ever-grateful for what this city has given us. I look forward to continuing my commitment to our residents inside City Hall.

We still need your help as we get to the final stretch.
Please support us through mail-in voting, by going to the polls, and by contributing to our campaign during these crucial, final hours.

Thank you,
-Greg Krikorian and Family
