HIGHER TECHNICAL COMMISSION

The CST Artist-Technician Award Jury awards the 2023 award to Johnnie Burn, Sound Designer and Chief Sound Editor of Jonathan Glazer's *The Zone of Interest*. His sound creation embodies, through the off-screen, the horror of the genocide and questions our humanity.

The 2023 jury for the **CST Young Technician PRIZE** has selected Anne-Sophie Delseries, production designer for the film “*Le Théorème de Marguerite*”. Thanks to the delicacy of her work, Anne-Sophie Delseries managed to give birth to a third essential character in the narration of the film. »
