AGBU Global
Relief Fund

Turn up the heat for Artsakh families

This winter, AGBU distributed 14,000 space heaters to as many as 60,000 Artsakh Armenians across Armenia. Many found themselves stranded, with no place to stay other than public shelters and empty dwellings with inadequate or no heating. Today, warm hearted donors from afar are helping them endure their first winter away from home.

14,000+
Space heaters

Contributions accepted in USD, CAD, GBP and EUR.
Tax receipts provided in USA, Canada, UK, and France.

Please donate generously
during the winter season.
