

KarDes (Carte)

KarDes: Multicultural Memory Tours Guide mobile application

KarDes celebrates its 4th year with the new content!

KarDes: Multicultural Memory Tours Guide mobile application is four years old! Since its launch, the app has been downloaded more than 35,000 times from the [App Store](#) and [Play Store](#). Designed as a personal tour guide, KarDes features a total of 34 memory tours from Istanbul, Ankara and Izmir, and nearly 70 stories of people who have lived in the districts of these cities. It offers content in Turkish and English with nearly 2000 cultural heritage sites in the "Discover" section.

[Click to download](#) the application to your phones or tablets for free.
