The Armenian Patriarchate of Jerusalem Archives on the Armenian Question and the Genocide: Annotated

Detailed Summary of Documents, Vol. I, prepared by Lusine Sahakyan, Ani Voskanyan, and Ani Sahakyan, is a

newly released book by Lusakn Publishers, Yerevan, with the endorsement of Yerevan State University, the

Armenian Patriarchate of Jerusalem, and the Armenian Studies Program at the California State University,

Northridge (CSUN).

This volume provides for the first time a detailed list of the 634 documents (written in Armenian, Ottoman, French,

English, German, Russian), contained in Box 1 of the Patriarchate's "Archives of the Armenian Question and

Armenian Genocide," with extensive description and annotations. The "Archives" was founded by the Information

Bureau affiliated with the Armenian Patriarchate of Constantinople, and later, in 1938, moved to the Armenian

Patriarchate of Jerusalem. These documents are of unique importance for investigating the Armenian Question

and the Armenian Genocide.

Dr. Lusine Sahakyan is a member of the Faculty of Turkish Studies at Yerevan State University (YSU) and director

of the Department of Armenian-Ottoman Studies at the YSU Institute of Research in Armenian Studies.

Dr. Vahram Shemmassian is the Director of the Armenian Studies Program at California State University, Northridge.

The presentation will also be live-streamed on the Ararat-Eskijian Museum's
