THE CENTRE FOR WESTERN ARMENIAN STUDIES is offering Summer Intensive Courses in Western Armenian two levels: Western Armenian 1 (in July 2025), Western Armenian 2 (in August 2025). All courses are held in English. The courses consist of 20 days of five and a half hours of class per day. This means each course is composed of 110 teaching hours. The tuition fee is £1300.

ELEMENTARY |

TUE 1 JULY – MON 28 JULY

Western Armenian 1 (Elementary Western Armenian) is designed for beginners. It will provide students with the essential tools for using the language. This course covers the four main areas of language acquisition: reading, writing, speaking and listening. It lays the foundations of language learning by teaching the basics at a slow but steady pace.

INTERMEDIATE WESTERN ARMENIAN |

MON 4 AUGUST – FRI 29 AUGUST

Western Armenian 2 (Intermediate Western Armenian) is for students who have prior basic knowledge of the language (see the course description of Western Armenian 1). This course is designed to build on what students have learned at the beginner's level. It covers many aspects of grammar to take students to a reasonable level of competence in reading, writing and speaking.
