2024 Artsakh Video Report

See how AGBU shifted from emergency aid to long-term assistance

The year 2024 was a critical time of transition for the forcibly displaced Armenians. In this end-of-year video, you'll see how AGBU made strategic shifts in its outreach and offerings, balancing individual needs with a system of support designed to bring healing and hope to the entire Artsakh community. With the help of AGBU donors worldwide, Artsakh families can look ahead to a New Year of recovery and renewal.
